On behalf of the members of the Virginia Business Coalition on Health, we thank participating hospitals for their transparency and safety improvement. To access the published data and have use of the site resources, visit www.leapfroggroup.org/cp and search by State/VA.

The Virginia Business Coalition on Health (VBCH) is a non-profit, 501(c)(3), catalyst-coalition founded in 1983 under the name of the Hampton Roads Health Coalition and expanded Virginia-wide in 2006. VBCH is a member of the National Business Coalition on Health, the National Quality Forum, The Leapfrog Group and others. VBCH unites employers through adoption of value-based benefits-design to improve worksite wellness to include disease management, health plan quality, and hospital patient safety and quality. Programs include the Wellness in the Workplace Awards, eValue8 Health Plan RFI Evaluation, the Leapfrog Hospital Survey, Heart Disease and Stroke Prevention ToolKit for Employers, P3 Diabetes Pharmacist Coaching model, Diabetes Resource Directory, the Virginia Health Strategies Project, education such as their annual Health Summit and regular business roundtables, and communications to promote best practices. VBCH is a mixed-model member coalition of stakeholder purchasers (employers) and providers, representing 350,000 employees and their dependents.
