Dr. Randy Vogenberg is Principal, Institute for Integrated Healthcare, Sharon, MA; Executive Director, Biologic Finance & Access Council, a program at the Jefferson School of Population Health; and former National Practice Leader then Integrated Health Benefits Thought Leader for Aon Consulting.

Focusing on integrated health, wellness and pharmacy issues, he is a founding Editorial Board member of several multidisciplinary publications, including *Biotechnology Healthcare* and *American Health & Drug Benefits*. He holds an academic appointment at the University of Rhode Island College of Pharmacy, and is a Senior Fellow with the Jefferson School of Population Health, Thomas Jefferson University, Philadelphia, PA.

His professional experience includes strategic advising on pharmaceutical benefits with business coalitions, Fortune 500 employer benefit consultation, hospital and managed care systems research; and strategic consulting on medical-legal or economic issues in health care. He is co-author for “Managing Pharmacy Benefits, 2nd edition” published by the International Foundation of Employee Benefit Plans (IFEBC), and authored two e-learning programs for benefit managers with IFEBC.

Dr. Vogenberg holds a Bachelor of Science degree in Pharmacy and a Doctorate in Health Care Management. Additionally, he completed an ASHP Accredited Pharmacy Residency at the Brigham & Women’s Hospital/Harvard Medical School, Boston.
