

EILEEN CICCOTELLI BIO

Eileen Ciccotelli is Vice President of the Virginia Business Coalition on Health (VBCH). She also serves as VBCH's project leader for value-driven health care initiatives such as HealthMapRX™, The Leapfrog Group Hospital Survey, the Heart Disease and Stroke Prevention ToolKit for Employers and the annual employer Summit. Prior to joining VBCH, she held positions at the University of Pittsburgh Medical Center (UPMC) Health System, the Arthritis Foundation and the American Red Cross.

Ms. Ciccotelli earned a Masters in Public Management with a minor in Health Policy and Management from the Heinz College of Public Policy and Management at Carnegie Mellon University in Pittsburgh, Pennsylvania, and a Bachelor of Arts in Sociology and a BA in Social Welfare, with a minor in Gerontology from Seton Hill University in Greensburg, Pennsylvania. She is a native of Western Pennsylvania and relocated to Chesapeake, Virginia in 2002, where she and her husband Patrick reside.

She serves on a number of committees relating to policy and health quality outcomes for various organizations such as the Virginia Department of Health, and serves as president for Virginian's Improving Patient Care and Safety.
